

Paavai CHANGEMAKERS FELLOWSHIP

Youth Leadership & Social Impact Program

Empowering young people to become
storytellers, advocates, and leaders for
child development and community welfare.

PROGRAM OVERVIEW

Creating Change Through Youth Leadership

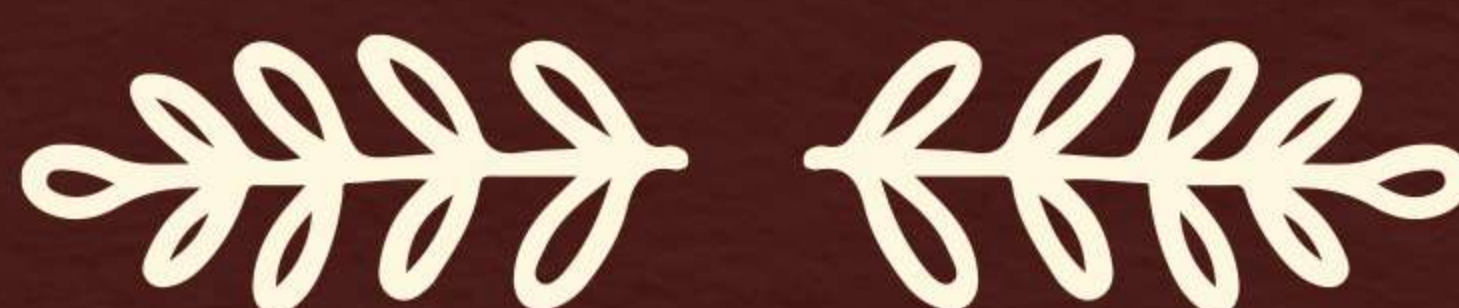

The Paavai Changemakers Fellowship is a youth-driven initiative designed to empower passionate individuals to become advocates, storytellers, and leaders for child development and community welfare.

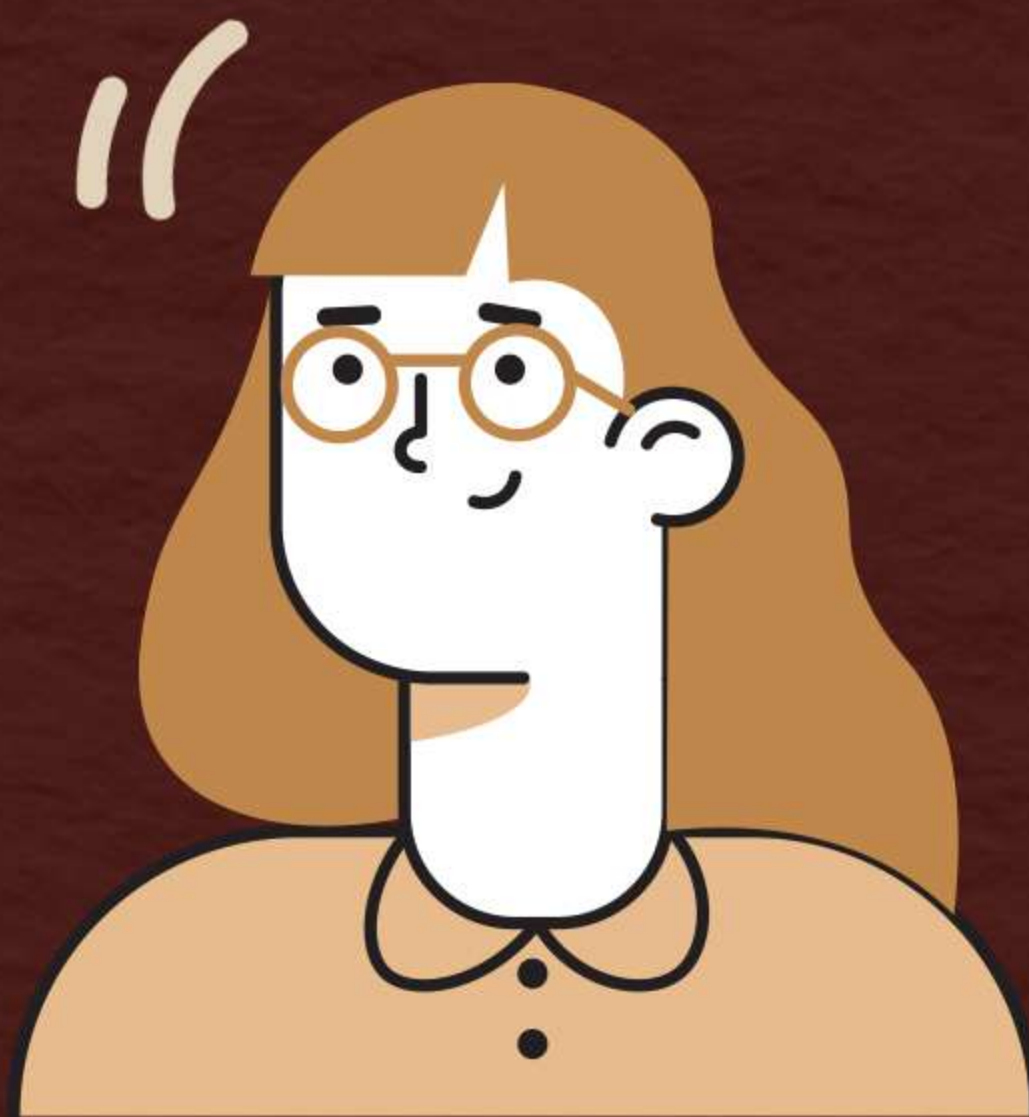

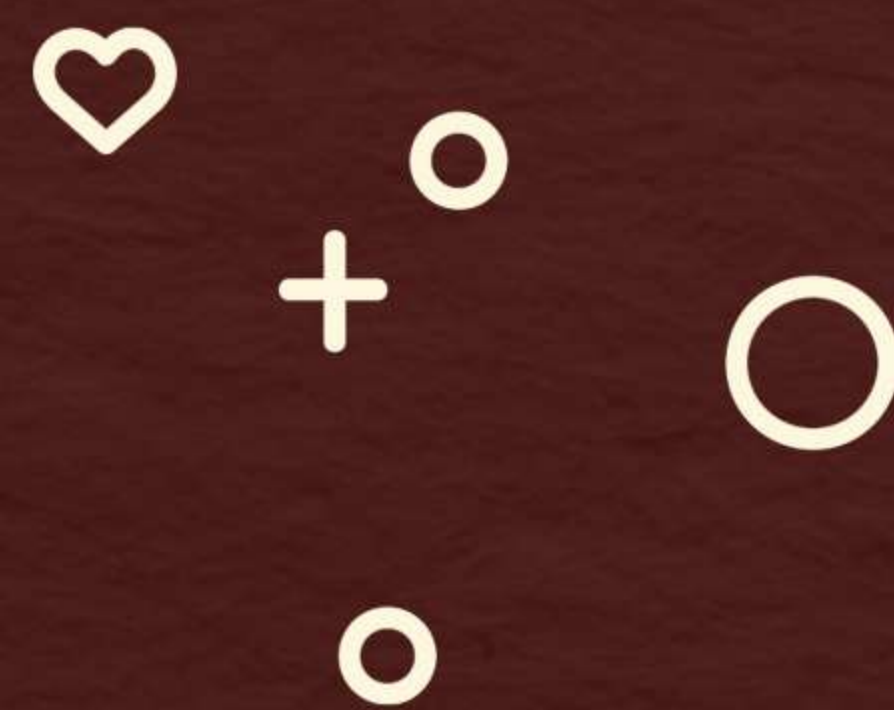

Through this fellowship, participants engage with Paavai Foundation's field programs, document real-life stories, support awareness initiatives, and contribute to building stronger communities.

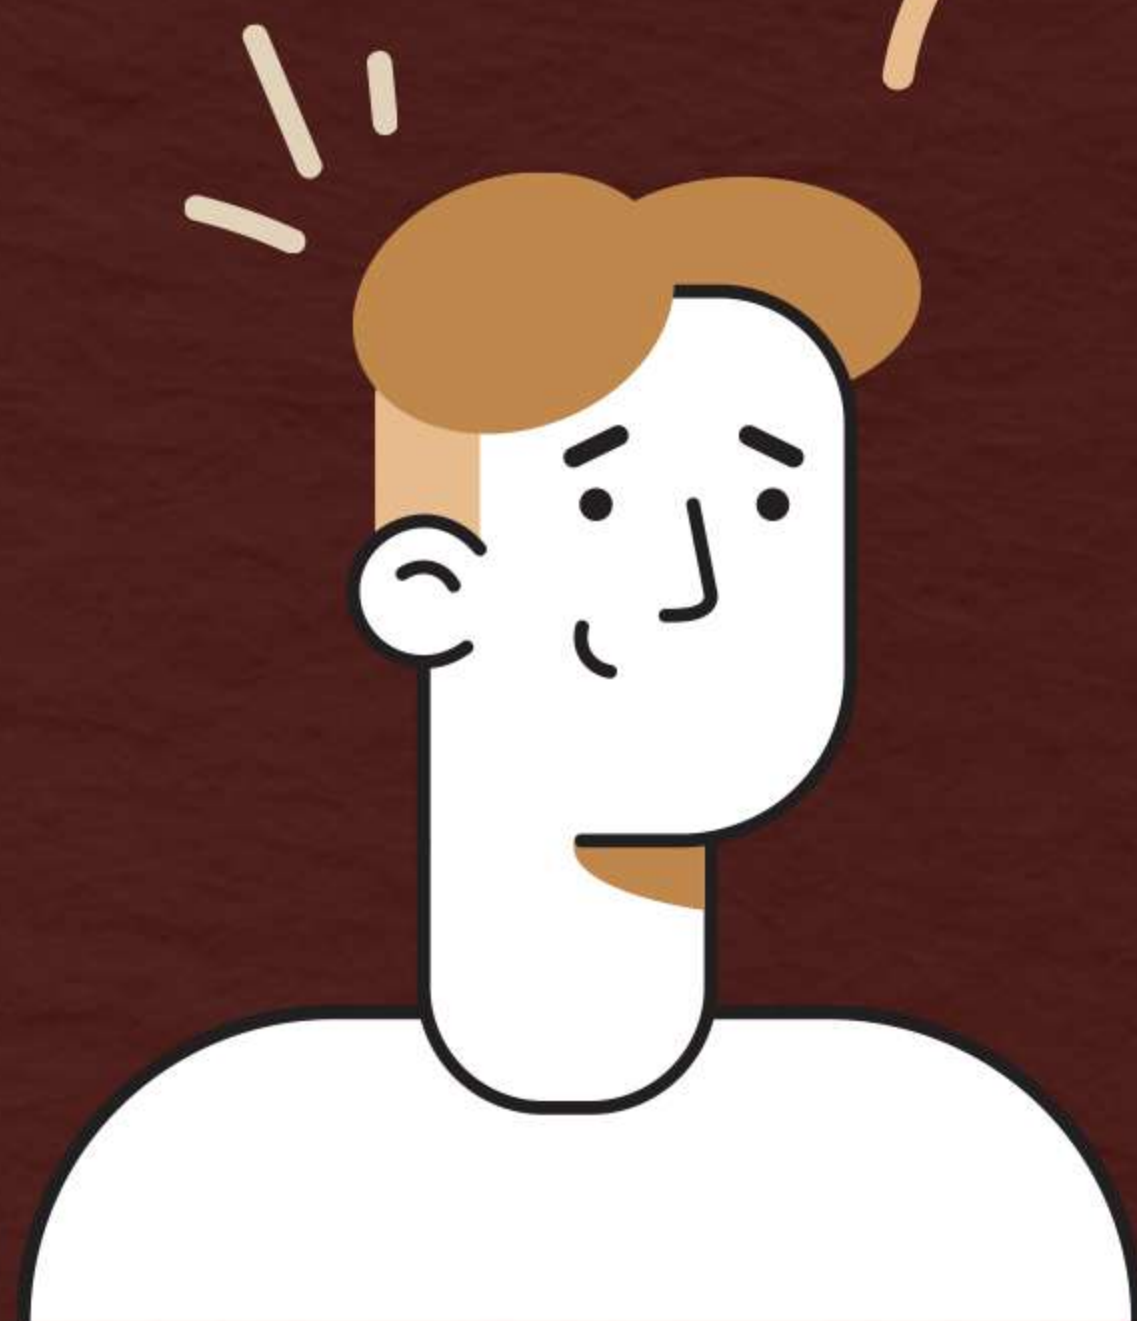

The program encourages youth to combine creativity, compassion, and leadership to create meaningful social impact.

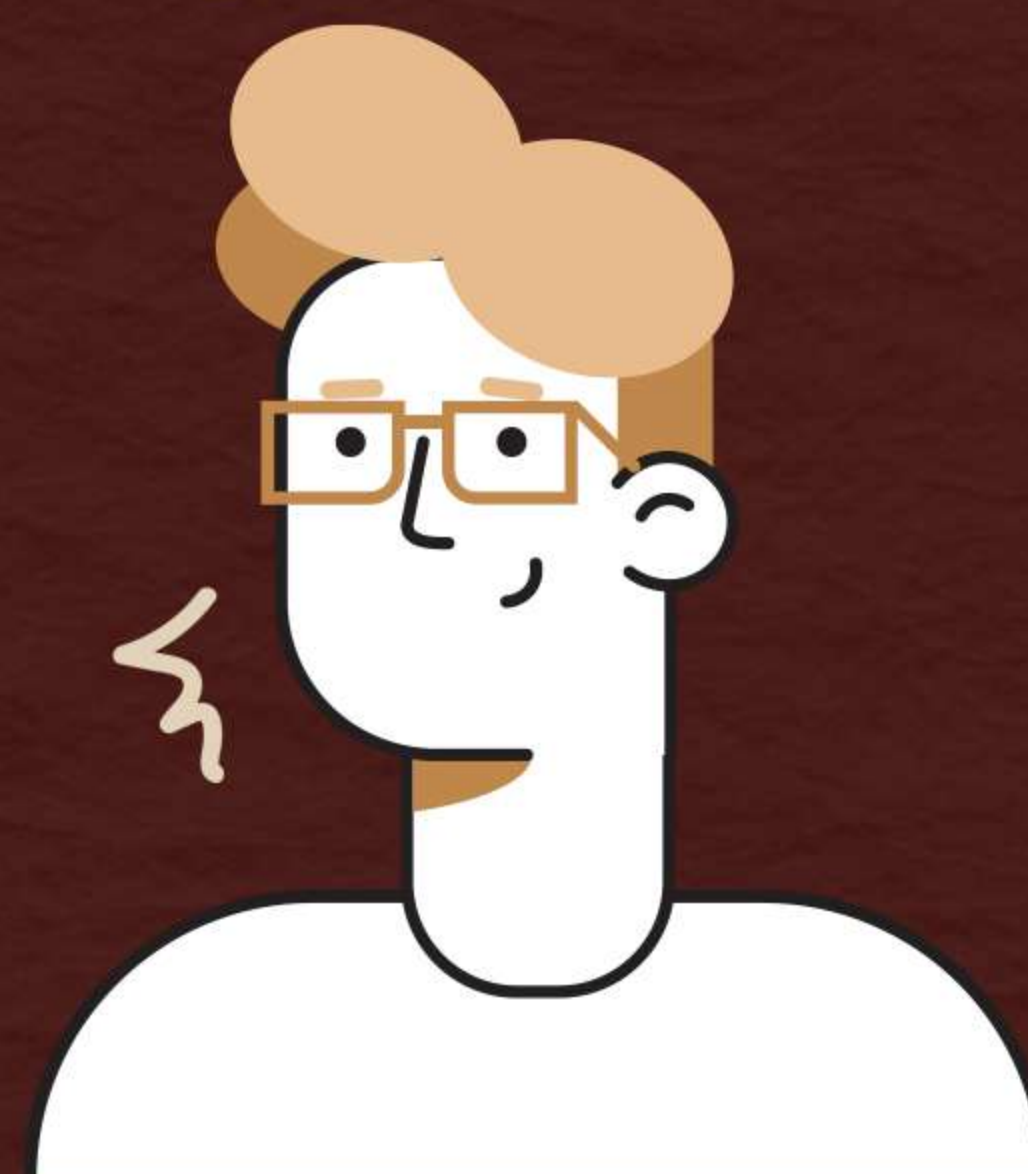

Build responsible storytellers
and social advocates

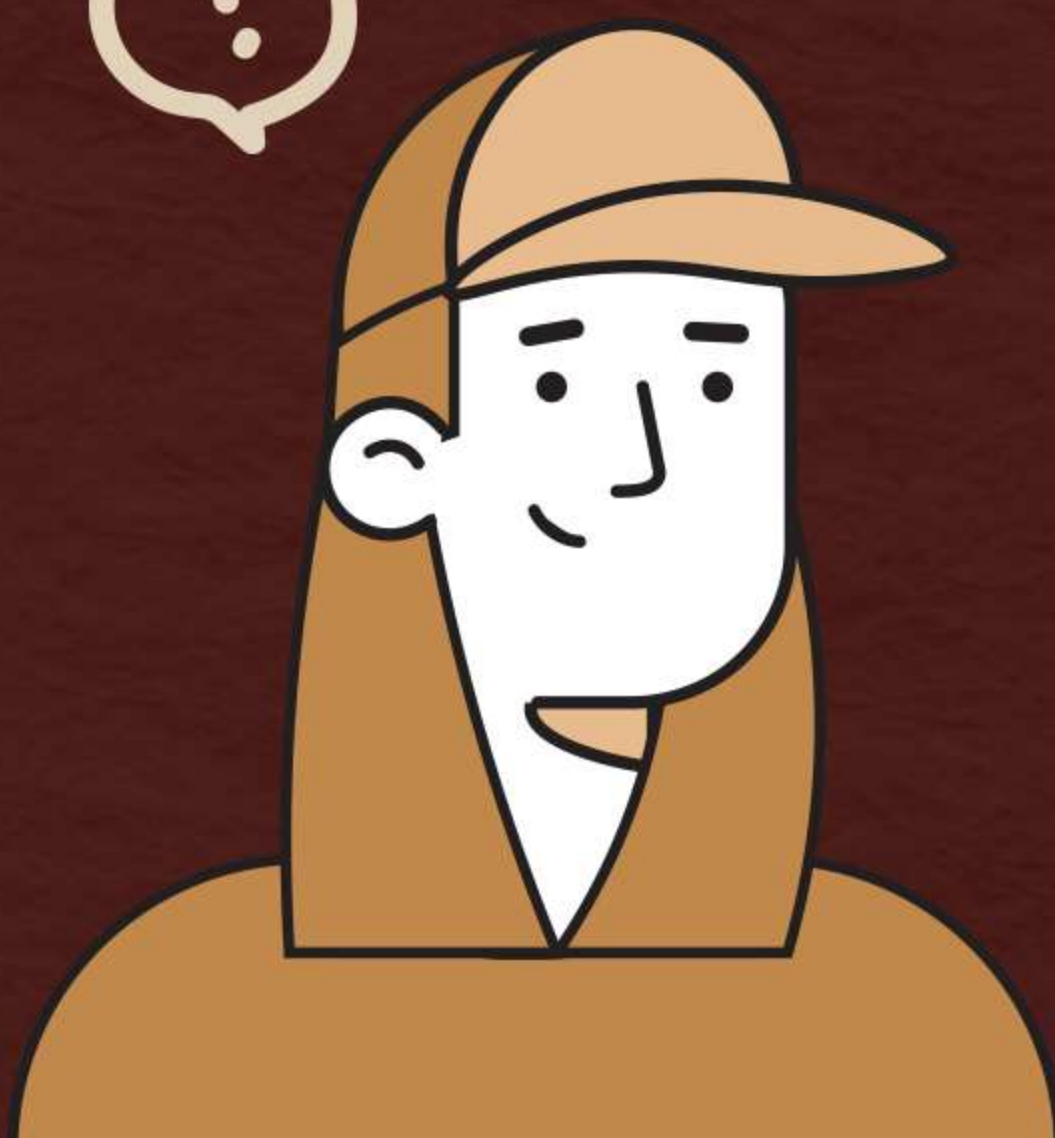

Encourage youth participation
in social development

Amplify grassroots voices through
media and communication

THE FELLOWSHIP AIMS TO

Promote awareness about child
protection, education, and health

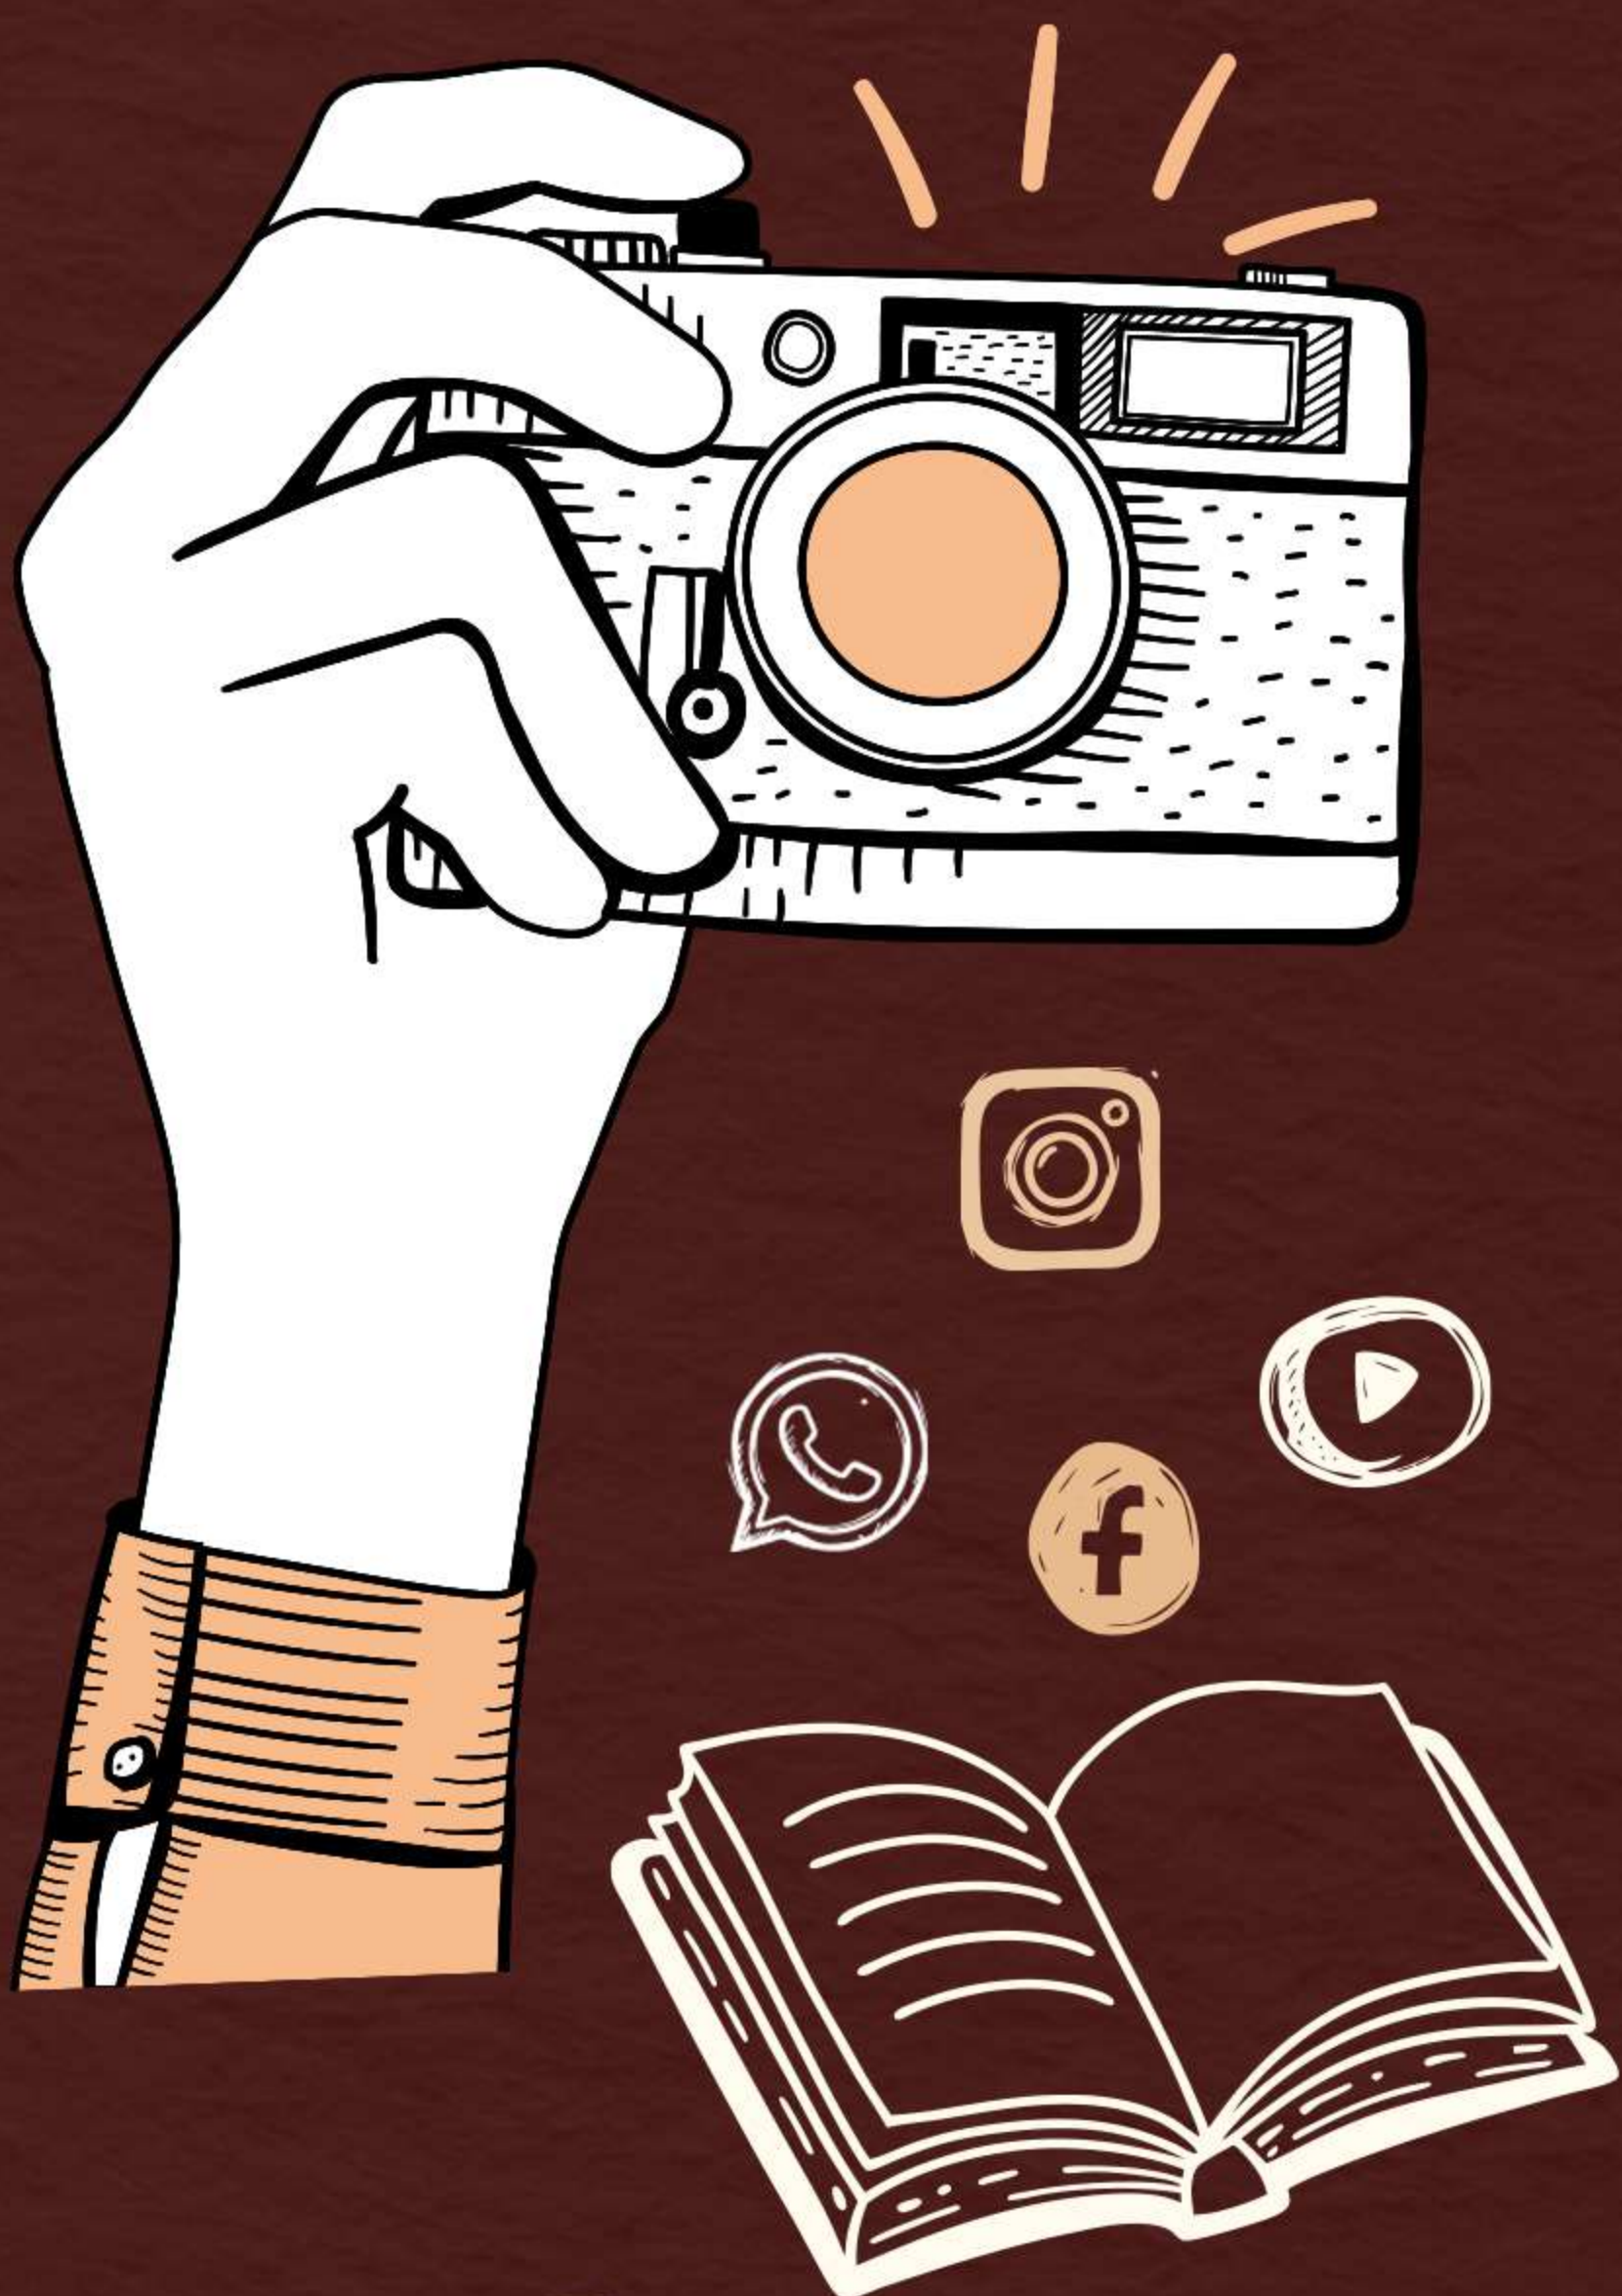

Develop leadership and
community engagement skills

Together, these objectives help nurture a generation of informed,
engaged, and socially responsible changemakers.
