SDG Alignment

SUSTAINABLE DEVELOPMENT GOALS

Paavai Community Connect 360 contributes to the following United Nations Sustainable Development Goals (SDGs):

ANBUCHOLAI ELDERLY CARE

Elderly as Mentors. Dignity as Legacy.

Anbucholai Elderly Care is Paavai Foundation's intergenerational care model that honors the elderly not as dependents, but as mentors, storytellers, and custodians of values.

At Paavai Foundation, ageing is approached with respect and purpose. Anbucholai creates safe, supportive environments where elderly individuals live with care, dignity, engagement, and social connection, while actively contributing to the growth of younger generations.

Anbucholai Elderly Care was launched in 2025 in collaboration with the Government of Tamil Nadu under the leadership of Hon'ble Former Chief Minister Thiru M.K. Stalin.

Purpose of Anbucholai

- » Dignified elderly care and daily support
- » Emotional well-being and social connection
- » Storytelling and cultural transmission
- » Intergenerational bonding with children's
- » Elderly-led mentorship and guidance

Core Philosophy

Anbucholai is built on a simple belief:

When elders are respected and engaged, communities grow stronger.

By integrating elderly wisdom into child development ecosystems, Anbucholai ensures that experience guides aspiration, and tradition strengthens progress.

“

A Grand father's

Story can become

A Child's

Greatest Lesson”

Anbucholai honors the elderly as mentors,
preserving dignity while shaping future generations.
