Paavai Foundation | Care for Life

PAAVAI ID CARE

Care. Dignity. Lifelong Support.

A dedicated initiative for children with intellectual disabilities.

WHAT IS PAAVAI ID CARE?

Every child deserves the right support to grow.

Paavai ID Care provides a structured care ecosystem designed around the individual needs, abilties, and well-being of children with intellectual disabilities.

WHAT WE FOCUS ON

Support that goes beyond care.

- Special Education
- Assisted Learning
- Therapy & Rehabilitation
- Healthcare & Monitoring
- Emotional Well-being
- Functional & Life Skills

BUILDING INDEPENDENCE

Small steps. Meaningful progress.

From learning new skills to developing greater independence, every milestone matters.

Paavai ID Care supports children through patient, personalised and dignity-centred care.

THE APPROACH

Care that sees the individual, not just the disability.

Every child has different abilities, needs and ways of learning.

The focus is on creating a safe, supportive environment where each child can participate, learn and grow at their own pace.

Every child deserves care with dignity.

Support inclusive child development.

Be part of a future where every child is seen, supported and valued.
