

GLOBAL HANDWASHING DAY

Clean Hands, Healthy Lives!

CLEAN HANDS. BETTER HEALTH.

Proper handwashing helps prevent infections,
remove harmful germs, and protect our health.

PROMOTING HAND HYGIENE

📍 TIRUPATI

Paavai Foundation, Tirupati, observed Global Handwashing Day to highlight the importance of hand hygiene and encourage healthy habits.

MAKE HANDWASHING A DAILY HABIT

Wash hands with soap
and water.

Keep harmful germs
away.

Protect yourself
and others.

HEALTHY HABITS START WITH CLEAN HANDS

Simple hygiene practices play an important role in preventing infections and promoting the well-being of children and communities.

WASH WITH SOAP. STAY HEALTHY.

Let's make handwashing a daily habit and take a simple step towards a healthier future.
